RESOURCE LICENSE PACKAGE

To purchase access to the 'What I'd like you to know about me!' resource, your organisation is required to buy licenses (for example; a bundle of 50, 100, 200). This will enable you to use the resource for a set number of people (once a license is assigned to an individual it is fixed to that person). Your service can purchase additional packages of licenses as required. *License costs are equivalent to a once-off cost of \$25 per individual, this cost decreases as the number of licenses increases.*

In addition to the (once-off) license cost there is an **annual fee** for every organisation that purchases licenses. This fee contributes towards the following costs; administration of the system, standard updates to the resource (such as new examples, expanded help information), domain hosting costs, server space costs, limited email and phone support (*those organisations requiring high levels of support should contact Life's for Living for associated additional costs*). This fee must be paid on the anniversary of purchase each year to ensure that access to the resource carries on into the next year.
